Solutions³ announces Bob Marino joins as an Inside Sales Specialist

Wyckoff, NJ – March 8, 2010 -- Solutions³, a premier IT Service Management solution provider, announced that Bob Marino has joined the organization as an Inside Sales Specialist. Mr. Marino will be responsible for creating new opportunities for the Solutions³ organization. Mr. Marino will report directly to Mike Battistella, Principal & Chief Technologist.

Mr. Marino has over two decades of both outside and inside sales experience and Sales Management. He was recently responsible for helping create and successfully implement an inside sales position with a major Telecomm organization. He successfully managed and grew a small business primarily through the standardization and utilization of IT best practices.

“Our sales model moving forward is going to depend on a strong inside sales resource that opens the door for our technical business developers; Bob is that resource. I’m anxious to see the company growth and great contribution I know that this strategic hire will provide” said Mike Battistella, Principal & Chief Technologist, Solutions³.

Solutions³ is an award-winning consulting and training organization providing expertise in IT Service Management. Solutions³ believes a complete ITSM solution addresses the three key areas of IT: People, Process, and Technology. This three-dimensional approach ensures that all aspects of the solution function together effectively. Through a custom training approach, Solutions³ equips people with the knowledge and hands-on experience to effectively manage their IT solution. This enables businesses to increase service levels, decrease costs, and improve security through the use of ITIL® based processes. And, by implementing best of breed software technology, Solutions³ provides the IT management capabilities needed to create a complete solution. Its collaborative methodology coupled with highly qualified resources results in a project that is well-defined, clearly understood and supports its client's business objectives, adding to their overall success.
